

TIGER BASEBALL

Stony Point High School 1801 Bowman Dr. Round Rock, Tx 78664 Office: 512-428-7225 Fax: 512-428-7190

Stony Point High School Baseball would like to invite your child to be a member of the *Tiger Baseball Cubs*, a mentoring program in which Stony Point baseball players are paired with youngsters from our local elementary schools. As members of the Tiger Baseball Cubs, your son or daughter will build a relationship with his or her player, and through this relationship will gain an appreciation of the qualities and values which breed success in high school athletics.

For a minimal \$20 fee, the elementary students are offered the opportunity to become a special buddy to a varsity baseball player. The Tiger Baseball Cubs, as they are officially known, will receive personalized postcards from their player during the season. They also have specially designed t-shirts which give them free entry to all varsity home games when accompanied by their paying parent or guardian. On school night games, Cubs will be welcomed early and come down to the fields to stand with their Tiger during the National Anthem. After non-school night games, Cubs get to run the bases, play catch and chat with their Tiger. Players and Cubs attend "Kickoff" and "Season Finale" parties to celebrate their new found friendships.

If your child is interested in joining the Tiger Baseball Cubs Program, please come to the Stony Point baseball fields on Tues. February 6th at 6:00 pm for the Season Kickoff Pizza Party. Please RSVP to Marissa Hall at mhall0705@gmail.com or Lilly Fowler at Lillyfowler@att.net no later than Friday, February 2, 2018. Please bring the bottom portion of this form and the \$20 fee to the Kickoff Pizza Party. We look forward to the success of this program and the opportunity to positively influence the lives of future Stony Point Tigers.

Brandon Creek
