Stony Point Baseball Sponsorship Opportunities

Dear Future Partner,

Stony Point HS Baseball Booster Club is a 501(c)(3) non-profit organization that was established to provide support to our baseball teams. In addition to supporting our team on the field, the booster club is committed to fostering a positive relationship between the Tiger community and our players, coaches, families, and fans. We also provide senior scholarships to several players each year. The development of these young men who will learn the importance of good sportsmanship, honesty, courage, and respect for authority while having an experience that will prepare them for college and the rest of their lives is our greatest goal.

It is only with the help of our fundraising and sponsorship partners that the Stony Point Baseball Booster Club has been able to complete past improvements and to plan for future needs in and around Tiger Diamond. To ensure that we can continue to meet those needs as well as provide funds for the purchase of new equipment, safety gear, field improvements and maintenance, the booster club holds fundraising events throughout the school year. These events are planned and executed with the goals of both raising money and connecting with the community.

We appreciate your consideration in becoming a partner and supporter of our program. We have several sponsorship levels available and will customize any package to meet your needs. The benefits to your organization will be tremendous as you become part of the Stony Point Baseball Booster Team.

Please feel free to contact Lisa Bates, our VP of Fundraising, or any of our board members for more information. We look forward to sharing this season with you.

Sincerely,

Selena Metersky
Booster Club President
